

IC 12-17.2-3.5-11.1

Immunizations

Sec. 11.1 (a) After December 31, 2002, a provider shall maintain and annually update documentation provided by the physician of each child who is cared for in a facility where the provider operates a child care program that the child has received complete age appropriate immunizations, including:

- (1) conjugated pneumococcal vaccine; and
- (2) varicella vaccine or a demonstrated immunity to varicella.

The state department of health shall determine for each age level the immunizations that constitute complete age appropriate immunizations.

(b) A provider meets the requirements of subsection (a) if:

(1) a child's parent:

- (A) objects to immunizations for religious reasons; and
- (B) provides documentation of the parent's objection;

(2) the child's physician provides documentation of a medical reason the child should not be immunized; or

(3) the child's physician provides documentation that the child is currently in the process of receiving complete age appropriate immunizations; and the provider maintains and annually updates the documentation provided by the parent or physician under this subsection.
